

A woman with glasses and curly hair, wearing a bright yellow short-sleeved shirt, is smiling warmly. She is holding a white plate with three appetizers, which appear to be small breads topped with a red sauce and green garnishes. The background is slightly blurred, showing other people in a social setting.

# Who we are

Welcome to Feeding Coventry. We're a small charity with a big mission: **to create a resilient community where no one goes hungry.**

Once a civic restaurant post war - a place to nourish people when rationing had ceased - we're now a thriving community centre. We're in the heart of Foleshill (Coventry), welcoming **families, community groups** and **businesses.**

We run a social supermarket, community garden, café and advocacy and support service, empowering the people we work with.

Leading in new and innovative ways to support others, **we nurture our community through the joy of creative arts and sharing nutritious food.**

**Food brings people together. Join us.**

# What we do

At Feeding Coventry, **we believe that everyone has the right to good quality healthy food.**

We take our members on a journey. By becoming part of our community, families and individuals take part in a number of creative wellbeing programmes and learning opportunities to build their self-confidence and develop new skills.

We offer a safe and trusted space for the whole community, bringing people together through **great food** and **great activities.**

## Supporting community

With every penny you spend, you'll be supporting our busy social supermarket and community centre

## Environmental sustainability

We work with a range of partners to ensure that good food doesn't go to waste - protecting both people and planet

Ensuring accessibility for all is a key priority at Feeding Coventry  
Here at Foleshill Community Centre, **children always eat for free**

We also believe strongly in **ensuring environmental sustainability**.  
Where possible, we use fresh local produce. In order to reduce food waste, we also run a **pre-order** food policy

# What we offer

We've got just what you need, whether you're looking to book our **stand-alone services** or a **combined room hire and catering package**, we're here every step of the way.

We are at the heart of community life. We have numerous room hire options and tech options available, ample parking and an established catering service where fresh, healthy food is top of the menu.

One of the best meetings we've ever had. A very relaxed and friendly atmosphere with the equipment and facilities that we always expect. The staff were excellent - very friendly and professional. The food was fantastic.

A great day had by all.
